Breakfast Club

Don't forget that places for Breakfast Club **must** be booked and paid for in advance. Contact the office team.

Happy Easter

We have had a lovely half term. Ending with a wonderful Talent Show last night when lots of our amazing children demonstrated their talents. We are so proud of them.

Foundation children have enjoyed the different mythical creatures that have visited them this half term, leaving lots of clues for the children to explore. Key Stage 1 children learnt lots about water and they have really impressed me when they have talked about what they know about this topic. Year 3 and 4 have been immersed in their learning about Vikings and dragons which has inspired some fabulous writing. In Year 5 and 6, children focused on a topic called 'Scratch the Surface' which helped them to learn about the earth and how sometimes, the way our earth works leads to natural disasters such as earthquakes and volcanoes. The volcano models that some of our Year 5 children have created have been incredible!

Lots of this learning has been captured on our school Twitter feed so don't forget to follow us and keep up to date.

Thank you for your support this term. We hope you have a fun-packed Easter break and we will see you for more learning and adventures on Wednesday 24th April.

Mrs Lomas

Staffing Update

After Easter we have a new Deputy Head joining the school who will work closely with the school's leadership team. Mrs Kimberley is really looking forward to meeting you all and I know you will offer her a very warm welcome.

Mrs Paling now has another beautiful daughter! She is enjoying her maternity leave with her family.

Provisional Trip Dates

F2	3rd July
Y1	21st May
Y2	24th May
Y3	11th June
Y4	12th June
Y5/6	4th June

These trips dates are provisional and are subject to change until final letters are sent home to parents including further details about the trips.

Trip costs will be paid through sQuid and if we don't receive the requested contributions for this, we may not be able to continue to run our trips out.

School currently contributes towards the cost of all trips to reduce the cost to families.

Fundraising

Thank you for your support with fundraising. The Christmas Fair money went towards the cost of our Treasure Island theatre company visit. £702 was raised for Comic Relief. PTFA fundraising will all go back to the children.
