## PE and Sport Premium

The DfE allocates funding annually to schools in order to support sustainable development to the quality of PE and Sport provision. The school allocates funding from our core staffing budget to employ 2 sports coaches to teach PE across school and to support the wider staff team where needed. This is a clear reflection of the school's dedication to providing a high level of PE provision for our children. The PE and Sport Premium is used to further supplement PE and sport for children. This document identifies the planned expenditure for 2016-17 and details the impact of expenditure in 2015-16.
