

Friday Assemblies

Each Friday afternoon we have a special assembly. This will either be a Celebration Assembly where some of our superstar learners will receive their special certificate or it will be a Class Assembly. If your child is due to be recognised during our celebration assembly, you will be sent an invitation so that you can join us. Family members are also welcome to watch Class Assemblies.

If your child has achieved something amazing outside of school, they are also able to bring in any certificates, medals etc. to a Celebration Assembly and family are able to come and watch this.

All assemblies start at 2:30pm and doors will open just before this time before the children are settled in the hall. Due to Health and Safety and space restrictions we ask that pushchairs are not brought into school. People attending assemblies must be seated and not stand in the corridors as this blocks access. We appreciate your support with this.

After a Class Assembly you will be invited to stay in school with your child to join them in sharing their learning or to complete an activity together.

In line with our policy, photos may be taken during these assemblies but these must be for personal use only and cannot be posted on social media. This is for safeguarding reasons and we thank you for your cooperation in this matter.

The planned dates of the assemblies are included for you. If any changes have to be made due to unforeseen circumstances, we will give as much notice as we are able to.

This table explains which class is in each team:

Assembly Teams	
Team A	Team B
Snowy Owls	Barn Owls
Grey Squirrels	Red Squirrels
Sand Badgers	Honey Badgers
