## **Help claim more money for school!**

Dear Parents/ Carers

Did you know that, if you claim any benefits that entitle your child to Free School Meals, school also receives a sum of money which the Government pays directly to us to boost their learning and support them during their school journey? Your child also receives discounts on trips and breakfast club is free of charge.

Registering for this money for school is easy and can be accessed by applying within the next week.

We are putting on three sessions here at Forest Town to help you register. Simply come to the hall after **drop off this Friday 11<sup>th</sup> January or next week on Monday 14<sup>th</sup> and Tuesday 15<sup>th</sup> January** and we will help you through the process over a drink and a biscuit. It takes as little as five minutes and could make a huge difference to your child's learning.

All you need to bring is your National Insurance number and an email address and we will help you with the rest. Alternatively, you can go on-line and register with the Citizen Portal yourself then follow the link for Free School Meals: **<https://emsonline.nottscc.gov.uk/CitizenPortal LIVE/>**

For any problems, you can call customer services on 0300 500 80 80.

Thank you in advance for supporting school.

Yours faithfully

*Daniel*
