

Forest Town Primary School

Parent View Questionnaire - September 2016

During our autumn term parents' evening, governors spoke to our parents about their views of our school. 121 of our 291 families responded to the questionnaire. This table summarises the responses given. The school's leadership team, along with the governing body, will use this information to continue to work with parents and improve the work of the school further.

Thank you to everyone who took the time to respond.
